The READY Route™

The RESET Route™

The SENSational Route™

Calmer pupils. Better focus. Improved learning.

Are your Primary pupils... Dysregulated? Disruptive? Disengaged?

The REGULATION Collection™ from Two Thirds Design gives teachers a simple, repeatable strategy to help pupils reset, regulate, refocus, and achieve maximum learning potential.

A SIMPLE PATHWAY TO REGULATION

ALERT

Controlled movement to wake up the body or safely release excess energy.

ORGANISE

Coordination and attention-based activities that engage concentration.

CALM

Breathing and stretching that regulate the body and settle the mind.

Ready-to-Learn

From Dysregulation to Ready-to-Learn — In One Structured Pathway.

The RESET Route™

Roll out. Regulate. Reset.

The REGULATION Collection™

When can the mats be used?

The REGULATION Collection™ is ideal for helping pupils regulate at key moments:

- At the start of the school day
- After break or lunchtime
- During lesson transitions
- When a pupil needs a movement break
- As part of wellbeing or regulation routines
- Wet play to help expel extra energy

- ✓ Improves focus & time on task
- ✓ Reduces low-level disruption
- ✓ Supports emotional regulation
- ✓ 7 mats = 10m pathway
- ✓ No installation required – Suitable for halls or low pile carpeted indoor spaces

Every resource includes:

- Whole-school implementation & SENCO guide
- Adaptation & extension pack
- Pupil voice feedback questionnaire
- Teacher monitoring & evaluation tools (group or individual)

Designed for flexible delivery – 1:1, small group, or whole class, with clear staff guidance.

The REGULATION Collection™ by Two Thirds Design gives teachers a simple, repeatable strategy to help pupils achieve maximum learning potential.
